Newport News, May 15.—The Democrats will have a big rally to-night. It will be held on the vacant lot back of Reynors, between Twenty-fourth and Twenty-fifth streets for the meeting. A platform will be erected here today. A brass band has been secured and will parade the streets before the meeting.

Party Chairman T. M. Watson will call the meeting to order, and Mr. C. H. Ruth, chairman of the committee on arrangements, will probably preside.

The following well-known speakers have been invited to address the meeting: Hon. R. C. Marshall, Hon. A. A. Moss, Charles Ruth, esq., S. Otis Bland and Charles W. Stangien.

SUBJECTS FOR DISCUSSION.

"The Democratic Party on National Issues" (imperialism vs. expansion); "The Democratic Party on State Issues" (constitutional convention); "The Democratic Party on Municipal Government" (our candidates); "The Democratic Party and Its Relations to the Workingman" (trusts).

The Huntington Republican League Club will have a big time tonight at the smoker to be given in honor of Hon. George E. Bowden. One of the pleasant features of the occasion will be the presentation of a set of resolutions thanking Mr. Bowden for his nomination of Mr. G. G. Butler as elector, and complimenting him upon his record as national committeeman. The resolutions are extremely handsome, being hand-printed on costly vellum in folio form.

KNIGHTS OF COLUMBUS.

On next Sunday morning Mr. D. J. Callahan, of Norfolk, assisted by Father Donahoe, will install in this city officers of a council of the order of Knights of Columbus. It will be known as Newport News Council No. 611.

The ceremonies next Sunday will probably be held in the lodge room over the Citizens' and Marine Bank, and will occupy most of the day.

At a meeting called by Mr. Callahan on April 29 at the Catholic parsonage, for the purpose of effecting organization the following officers were elected: W. S. Brown, grand knight; J. F. Quinn, deputy grand knight; W. S. Upshur, chancellor; H. G. Fitzgerald, recording secretary; W. H. Maher, financial secretary; J. E. Cowell, treasurer; James Flynn, lecturer; Charles Riley, warden; Joseph Holland, inside guard; Rev. Charles E. Donahoe, chaplain.

The Board of Trustees—J. O'Donnell, Matt W. Boylan, H. G. Fitzgerald, W. S. Upshur and P. P. McGinn.

Twenty members are necessary to effect organization, but it is understood there will be thirty-six who will unite with the order next Sunday.

NEW BATTLESHIP KENTUCKY.

The new battleship Kentucky, twin to the Kearsarge, and one of the most powerful machines of war afloat, went into commission at Newport News at 11 o'clock yesterday morning. The ceremonies were simple, though quite impressive. Superintendent Post, of the Newport News Shipbuilding and Drydock Company, by which the Kentucky was built, turned the vessel over to her commander, Captain C. M. Chester, who received her by reading his orders from the Secretary of the Navy. Captain Chester then made a neat speech to those assembled on deck, after which Old Glory was unfurled to the breeze, while the Naval Post Band, from the navy-yard, played the "Star Spangled Banner." The Kentucky will, after receiving her stores, etc., drop down to Old Point, where she will await orders as to her final trial trip.

SILK MILL MOVEMENT.

A regular meeting of the Business Men's Association was held Monday night at their regular meeting place. Before the meeting of the association a meeting of the Board of Directors of the meeting was held, and a number of bills audited.

A letter was read from Mr. Henry Leon, of Paterson, N. J., and upon consideration of the same it was decided to invite Mr. Leon to visit the city, and make known to the association his plans and desires.

Colonel Huffman, the secretary of the association, is also in receipt of a letter from Mr. Charles E. Hall, general staff correspondent of Leslie's Weekly, asking the association to endorse the plan of the write-up of the city, and that they request the association to contribute to the support of the same.

Mr. Cottrell, chairman of the Committee on New Enterprises, reported that he had received letters from New York silk men relative to establishing a factory here, and that they promised to visit Newport News and investigate for themselves. Mr. Henley also stated that he had received a letter from Mr. C. P. Huntington, of New York, stating that he had received overtures from different silk men relative to establishing mills in Newport News. Mr. Henley said that he had visited Paterson, N. J., which is a great silk centre, with a view of interesting parties in locating mills in Newport News, and had met with encouragement, they declaring that they would visit the city and look over the field for themselves.

THE HARTFORD COMING.

The remodeled training ship Hartford, which has about 300 landsmen aboard, now en route from San Francisco to Hampton Roads is expected to beach here by the middle of next week. The ship has left Bahia, Brazil, for Barbadoes, and the Navy Department has issued instructions to have all of her mail addressed to Fort Monroe.

This is probably the longest cruise ever made by a naval training ship. Captain Hawley notifies the department that he has made first-class seamen out of nearly all of his 300 landsmen.

THE NEW MORGAN LINERS.

The keel for the first of the four new ships to be built at the ship-yard for the Morgan Line has just been started. If there is no hitch on account of delay in the arrival of material, work on the ship will go forward rapidly, and

the keels for the other three ships will be started very soon. These steamships will be similar in dimensions and design to the four "El" ships turned out by this yard last year. They will engage in the freight traffic between New York and New Orleans.

This afternoon, shortly before 1 o'clock, a fire broke out in a tenement house, in what is known as Keran's Row, on Shore street, on the heights, occupied by a colored man named C. A. Foster. The fire occurred during the absence of Foster and his wife, the only persons in the house being five children. How the fire originated is not known. The game this afternoon between Norfolk and Petersburg was an uninteresting one. It was won by the visitors by a score of 12 to 3. Dennahower and Nelson were the batteries for Norfolk, and Bates and Hurt for Petersburg. The features of the game for Norfolk was fine fielding, and for Petersburg the batting of Kelly.

WILLIAMSBURG.

(Special to The Virginian-Pilot.)

Williamsburg, Va., May 15.—Miss Mollie Galt, the superintendent of the Norfolk branch of the Association for the Preservation of Virginia Antiquities, and who is deeply interested in the Jamestown work, to-day stated to the Virginian-Pilot representative that the Jamestown celebration would come off this year on a Saturday, the 26th, and not the 24th as reported, the latter date being both a pension and election day.

Mr. T. G. Peachy and Mrs. T. M. Ware are hustling for the office of postmaster of our town, made vacant by the death of Mr. Ware. Both have petitions in circulation, and it is stated that the appointment will be made soon.

BEFORE AND AFTER.

BEFORE AND AFTER.

DEAN STIRLING—In the latter part of last winter I was troubled for quite a while with insomnia, which caused a general breaking down of the nervous system, followed by nervous headache and neuritis of the heart. To one who describes my suffering of this kind, I was unable to eat or sleep, and my condition became so critical that my physician could do nothing but give hypodermic injections of morphia. My family and friends became alarmed, but I was determined to cure myself. I tried them all without success. I was discouraged and would not try them, believing my own family doctor was doing all that any of them could. I had sold my wife I was going to try one more remedy, Ripans Tablets. I did not expect them to cure me in my condition, and after taking them for a few days I was about to give up, but concluded to give them a good trial. Before long I began to improve. I used the box and bought a dozen more; but I did not need half of them, for they did their work nobly, and I was soon a new man. I have been working right along and have had no return of my troubles, and, in justice to you and your great remedy, I offer this, my unqualified testimony, hoping the people will recognize the merits of "one great remedy."

I am gratefully yours,
422 Oak Street, Dayton, Ohio.

DEAR SIR—I herewith enclose you interview of our representative with Mr. C. J. Stirling, of 422 Oak Street, this city, who wrote to the Ripans Chemical Company regarding his case of Ripans Tablets. Stirling seems to be a very sincere man in his statements, my reporter has every reason to believe he will do anything to further the interests of the sale of Ripans Tablets. They are on the "before and after" order. The one with the thin face is the one of him before he took the medicine. The other one is after he was cured by the use of Ripans Tablets. Yours very truly,
THE HUFFMAN PUBLISHING CO., C. H. Starnes, Manager.
